

Thank you for your interest in the Social Program offerings at TDS Speech Pathology Associates, Center for Communication and Social Learning.

In order for us to provide your child/student with the best introduction and transition into our program, we ask that you provide us with several pieces of information. This information will help us to understand your child's needs more clearly. It will also be invaluable in helping us to place them in the most appropriate group for their individual needs.

The following forms are essential for our understanding of your child and his/her needs. Please be aware that no intake can be scheduled until the following forms have been received by our offices:

- Contact Information Sheet
- Intake Form
- Social Skills Profile
- Educator Intake Form
- A copy of the most recent IEP
- A copy of the most recent Psycho-Educational assessment
- A copy of the most recent Speech and Language evaluation
- A copy of the most recent Behavioral assessment (if applicable)
- A copy of the most recent Occupational Therapy assessment (particularly as it relates to Sensory Integration concerns/management)
- A \$30.00 application fee
